**RE: Annual Compliance Certification-Due September 22nd, 2011-Amendment
Clean Harbors Aragonite, LLC
Title V Permit Number 4500048002**

Dear Ms. Heying:

On September 20, 2011, the above referenced facility submitted their Annual Compliance Certification. During a phone call October 5, 2011, with the agency it was decided that the facility needed to go back and amend the certificate to account for a typo and to clarify whether or not the facility was continuously or intermittently in compliance with specific permit conditions as opposed to the method for documenting the compliance. Attached is an amended Annual Compliance Certification for the Clean Harbors Aragonite facility for the Title V permit provision I.L. and Utah Administrative Code (UAC) R307-415-6c(5).

I hereby certify, based on information and belief formed after reasonable inquiry, that the statements and information in this document are true, accurate and complete.

Should you have any questions on this certification, please feel free to contact Mr. Jeff Mensinger at (435)884-8170.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael W. Marlowe", followed by a horizontal line.
